

Eva Azoulay

**Vice President, Global Business Services & Transformation
Carrier**

Eva Azoulay is Vice President, Global Business Services & Transformation, for Carrier, leading the transformation of the company's operating model to ensure world-class performance as One Carrier. In this role, Eva is responsible for optimizing functions through a global business services capability enabled by shared services and digital solutions across Carrier's geographies.

Eva joined Carrier in 2020 from Pratt & Whitney, where she held numerous global and large-scale business leadership roles over the course of 25-years =. Most recently, she served as Vice President, Commercial Aftermarket, leading a broad range of aftermarket services to generate growth through enhanced offerings with a heavy focus on digital solutions. Eva brings with her extensive knowledge and experience and knows what it takes for businesses and functions to successfully operate together.

Eva earned a bachelor's degree in engineering from McGill University and an MBA from Concordia University.
